SHRI GUJARATI SAMAJ, INDORE

Shri Gujarati Samaj Trust

99 Golden Years of Prestigious Educational Tradition Since 1922

Shri Gujarati Samaj has contributed largely to the educational scenario of Indore. Its 99 years old history tells the tale of the sacrifice and devotion of the elders of that era. I has no match in the present.

A few Gujarati families made this place their home in the 2nd decade of 20th Century. Their aim was to earn a living. At that time they realized that their children would be cutoff from the Gujarati language, culture and tradition due to lack of a Gujarati medium school. Keeping this thing in mind a small school was opened in a single room at the Jail Road in the year 1922 with just 8-10 students. In due course of time, it occurred to them that even the localities were lacking a proper school. This fact motivated them to push the thought of income in the back of their minds and established numerous educational institutions one after another. Thus a small seed sown in the direction of giving education to Gujarati Children some 99 year is back grew into a large tree with branches in every field from primary schools, middle schools to colleges of different subjects.

At present Shri Gujarati Samaj is a large educational organization dedicated to the cause of education. It represents, not only the City, but entire Madhya Pradesh. Presently it is running 9 colleges and 6 schools. The Samaj has also made its foray in the medical field with onset of Homeopathy Medical College and Research Center. Similarly career oriented courses have been included in Professional Colleges. The Samaj started B. Ed. College in July 2005 and a new college namely Shri Gujarati Samaj Innovative College of Commerce & Science (English Medium) in July 2006. Shri Gujarati Samaj College of Pharmacy started in the year 2007

Around 1500 teachers and other employees are serving to the cause of imparting education and near about 22,000 students are taking education under the aegis of the Samaj. It is a matter of pride for the Samaj that amongst every 7 students of the University one student belongs to Gujarati College. Shri Gujarati Samaj has given Political Leaders, Ministers, I.A.S. Officers, successful Industrialists, Scientists etc to the nation. Another achievement of the Samaj is that the MP Minority Commission has also recognized the educational institutions run by Shri Gujarati Samaj as educational institutions run by the Linguistic Minority Community and given it Linguistic Minority Certificate. Shri Gujarati Samaj also gives financial support to women for self reliance. Gujarati women are given free training of Tailoring. Various linguistic & cultural exchange Programs are organized from time to time. The Samaj has built R.R. Contractor Guest House for the convenience of travelers and 200 people can be accommodated here. Shri Gujarati Samaj is also open to the thought of social service and the following charitable services are being run by it

Know about your College.

- M.K.H.S Gujarati Girls College established in 1982, is a premier higher education institute of Indore, which is catering needs of female students of Commerce, Home Science & Computer. Not only from Indore but from neighboring cities, students are coming to this college. One of the many educational Institutions run under the banner of Shri Gujarati Samaj, is a vast educational center dedicated to the cause and spread of higher education.
- It has the privilege of being the first ever commerce College for girls in India. In 1986 the Post Graduate courses were also started.
- From the time of establishment till date it has always marched towards progress achieving great heights. This is because of well discipline, care, support, encouragement and motivation provided to the students by the staff as well as management. All their grievances and problems if any are sorted out and proper guidance is given to them. This is the only multifaculty College of Gujarati Samaj.

Vision

Gujarati samaj logo says, "Knowledge sets you free". This tells that it is only knowledge which enables us to be free from narrow-mindedness, ignorance, intolerance and gives us the courage to face the challenges of life. Our specific focus is on Women.

Mission

To advance and disseminate higher learning and knowledge of various under graduate, post graduate and diploma courses in commerce, management, computer science. To spread flexibility and diversity in educational field and to achieve perfection and encourage newer plans and strategies. To empower women to progress towards the path of success not only by developing their professional skills but also encouraging civic responsibilities and sound ethical values.

Values

The Institute ensures that students are self-disciplined and self-reliant. It maintains quality education and efficient staff who not only help the students in the learning process but also motivate them towards awareness of our value system, perfection and development of their human potential.

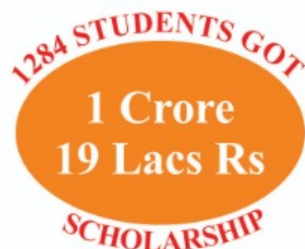

Objective

"Imparting higher education and setting up standards such that it enables women to progress towards the path of success" is the main goal and objective of the institution.

Infrastructure And Facilities

COMPUTER LABS :-

There are 4 computer labs with 166 computer systems. Labs have 24 hours Internet facility, which can be run on 100 machines simultaneously.
3 Scanners, 5 LCD & 10 Printers.

LIBRARY :-

A College is a place where students learn and grow through intellectual Interaction in and out of class, with professors, staff and peers and where all communities share learning experiences. An educational institution performs a significant function of providing learning experiences to lead their students from the darkness of ignorance to the light of knowledge.

Library in any institution plays an important role to bring about this transformation in their personality to achieve academic excellence and overall growth. It is our responsibility to teach students how to learn, how to find information and how to work collaboratively across disciplines and cultures.

Book-bank facility is available for all including reserved category students.

Previous years question papers of university exams are available.

Competitive magazines and books are available for girl students for competitive exams.

Reference room is established for research students.

COLLEGE BUILDING & CLASS ROOMS :-

The Building of 3 floors is aesthetically designed and well maintained. 59 Class rooms in the College are well-furnished, CCTV monitored and spacious, Wifi Equipped Campus.

CCTV CAMERAS :-

To provide a very safe, secure and protected environment 72 Close Circuit Cameras have been fixed at different locations in the College. The classrooms are also CCTV monitored.

PARKING AREA :-

The College provides a very spacious parking area in the Basement. Separate areas are allotted there for the staff and the students.

DRINKING WATER FACILITY :-

An Water Purifier and Cooling System installed in our College provide safe and potable water.

SEMINAR HALL :-

The college has a well furnished seminar hall fully equipped with Audio/Visual systems like LCD, overhead projector, public address system etc.

SPORTS :

- Sports, being an essential part for the overall development of the student, the college provides the facility of various indoor and outdoor games. The college has a large playground suitable for various outdoor games like cricket, football, volleyball etc. The college campus has badminton court and facilities for indoor games like Carrom, Chess, Table Tennis etc.
- Prizes given to Players as per their Achievements in sports/ games.
- Track Suits and Shoes are provided to the players selected in University teams.
- For contribution in sports activities special prizes are given.
- Extra books are issued by the College Library.
- Concession in fees for sports excellence.
- Free training is provided for weight lifting, power lifting cardiac exercise in the gymnasium located in Nasia Road.

YOGA CLASSES :-

Keeping in mind the mental and physical fitness of the students and to go along with the syllabus of the New Education Policy, the college has started the Yoga classes and free of cost Yoga Workshops under the supervision of trained Yoga Teachers.

National Cadet Corps (NCC) :

- NCC inculcates in the youth a sense of nationalism and secular outlook that contributes towards the building of the nation. It also provides a platform for individual upliftment through the process of channelizing the energy of the youth in constructive pursuits. Besides giving thrill and excitement, NCC promotes camaraderie and resilience and hones cultural skills to preserve the cultural traditions and values of the society. It helps the youth to realize the intimate relationship between man and the community, between community and nature and their inter-dependability.
- About 160 students are registered every year. The NCC cadets are given three years training in which after two years of training cadets appear in B certificate exam and after successful completion of

third year training cadets appear in NCC C certification exam. On clearing C certificate exam with A or B grades the students get benefit in jobs as well as they get direct admission in the Army (Military services). Students get C certificate are not required to undergo a written test of Service Selection Board (SSB) of the Army. They are required to go through an interview only. Apart from this in NCC training for cadets Personality Development, Firing, Map reading, Drill, Social service and Adventure Activity etc. is given.

National Service Scheme (N.S.S.) :

- N.S.S. is an educational program through which students can develop the spirit of co-operation and society development. The year 2014-15 started with a new self-financed unit of N.S.S.
- National Service Scheme is an active program run by the Ministry of Sports and Youth Affairs, Government of India for the development of the nation. Its sole objective is to provide young students with the experience to develop their personality through community service. Through its certificate, you can take advantage in government services.

Women's Vocational Institute (WVI) :

Women Vocational Training Center Shri Gujarati Samaj, Indore has established a Vocational Training Center for girls and women from 15th May 1989 in this college building, so that girls and women can conduct their own employment. You can take advantage of this vocational training center by entering in the

Classes.

The College has also been a Study Centre for MP Bhoj Open University. Various short term Diploma and Certificate courses are run by the Bhoj university and the College students have the benefit to take on any diploma or certificate course through distance learning along with their graduation or post graduation degree courses.

Alumni Association :

The purpose of formation of the Alumni Association is to celebrate the old times and old relationships as well as start the chapter of the new relationships. It is such an organization where all the old girl students come together to refresh and share the memories of their college life with everyone. At the same time, with a new ray of hope, it also makes a successful attempt to lay the first stone of the new era. CA Kemisha Soni who is the chairperson of all India professional development committee, is the president of this association.

Career & Placement Cell :

ACHIEVEMENT

Placement of 42 Students in Company in one Campus

During the course of teaching, many activities have been conducted by the Career and Placement Cell for the information and guidance of the college students regarding their

career and placement. Along with this information agreement has been signed with TCS Indore, MSME (Indo German Tool) Indore. Shine India and other similar institutions, under which, these institutions provide placement assistance to students after imparting training.

Workshops are organized in the college by many institutions like Infobeans Foundation, Pune Institute of Business Management, through which placement of students is also done.

Industrial visits to various Industries have been organized regularly Some of them were Bridgestone India, Neosack, Dainik Bhaskar automated printing press, Sanan consumer products, Sanchi, Eicher, Tata International and Parle-G etc.

Various Webinars and Seminars were also conducted throughout the year. The Webinars such as from Infobeans Foundation was in the form of 45 days training program. MSME Technology, ISKCON India, Pune Institute of business management, TCS and various others also conducted the training-cum- student development programs through which students got knowledge about entrepreneurship, sales, purchases, inventory etc. Students also got benefitted in getting knowledge related to competitive exams, campus recruitments and placement drives.

Recently on 25.04.22 a huge placement drive was organized in the college by Shrewd Institute of Management and Science for various posts. Around 210 students got themselves registered for the same and 42 students were selected at good packages for Academic/ Tele counselor / Business Development executive/ marketing campaign related jobs.

Other information related to career prospects is given to the students by the subject experts related to different fields, through workshops and seminars. This makes it easy for the students to choose their field of work.

Information about various workshops and training programs is provided to the students students can contact the officers of the placement cell for their career or placement related problems at any time during the college hours.

National Education Policy - 2020

- National Education Policy 2020 was announced by the Government of India on 29th July 2020. Which was quickly implemented by the Madhya Pradesh government in the session 2021-22.
- The main objective of this new education system is to enhance the skills of the students and to make the curriculum employable.
- Under the new education system, the annual system scheme has been implemented in the complete undergraduate course.
- Under the new education system, B.Com, BCA and BBA have two major subjects, one minor subject, one elective subject and one vocational course.
- The Foundation syllabus has been included as a compulsory subject.
- Along with this, every year apprenticeship / project work/ community engagement course has been kept for skill enhancement among students, out of which students have to choose one option every year compulsorily.
- Under the new education system, undergraduate education has been kept for three years and four years. After completing the three-year course, the student will get a bachelor's degree and after completing the four-year course, honours.
- Under the new education system, a choice based system has been implemented by the government, in which the entire course has been kept for 160 credit scores.
- New Education Policy is based on grading System (CGPA).
- for any more details contact Nodal officer in college Time. (That is 7:30 to 12:30pm).

Semester System Exam Scheme :

M.Com. and P.G.D.C.A. Semester system has been implemented in the College. Under this, there will be 2 semesters in each academic session. The duration of which will normally be six months. For the main examinations of each semester, students have to fill the examination form along with the examination fee. In these examinations, the students who are not able to get the minimum passing marks in any subject, they will get A.T.K.T is received for which the examination fee has to be submitted separately along with the application form.

The duration of PGDCA course will be 1 year.

Instructions regarding internal test and project work / job internship for M.Com. students

1. It is mandatory to give internal examination for 15 marks for each subject in every semester. The information of which will be given during the semester.

Free Certificate Courses

An important step towards value addition and jobs and self-employment

Various types of certificate courses are available on Swayam (SWAYAM) portal created by the Ministry of Education, Government of India. To enhance the knowledge and skills of the students in addition to the curriculum and to create jobs immediately, the college, from the year is starting the following 12 certificate courses free of cost with a view to prepare them for self-employment

- Critical thinking & Maths for competitive exam.
- Computer Accounting & Tally
- Consumer behaviour
- Yoga practices
- Personality Development
- Total quality management
- Food and Nutrition
- Web Based Technologies and Multimedia Applications
- Ecommerce technologies
- Fundamentals of Computer Systems
- Introduction to Information Technology
- English Language for Competitive Exams

A student can take two certificate courses in a year. Thus 6 in Graduation level (B. com., BBA, BCA) of three years and can complete the 4 certificate courses with Postgraduation at free of cost.

The course material for certificate courses is available on the portal and online classes are also held. Adequate practical work and field work will also be done

If the student wants to get his own certificate from the Ministry of Education, Government of India, then he Must pass the online exam of Swayam Portal.

If the student herself does not want to give the examination of the portal, then written and oral examination of the students will be done after such students have more than 75 percent Attendance in the classes and satisfactorily complete the practical work / field work. On passing the examination, the student will be given a free certificate by the college.

SCHOLARSHIPS (All Govt. Scholarship Available)

**Last Year More than
60% Students got Scholarship**

The following types of scholarships announced by the M.P Government will be provided in the year For this, after taking admission in the college, it is necessary for the girl students to apply online and submit the copy of the form along with the desired certificates to the scholarship department.

1. **Chief Minister Medhavi Vidyarthi Yojana (MMVY).**
2. **Post metric scholarship (SC, ST & OBC)**

Guidelines For The Students

Code of Conduct :

Every student and his classmates will behave decently and politely to principal, teachers and staff.

Every student will devote his full attention to his academic studies under the arrangement prescribed by the college, as well as cooperate fully in the non-academic programs organized / approved by the college.

Every student will take interest in maintaining peace, security and cleanliness in the college building, library, lab etc.

The property of the college i.e. building furnishings, electrical system equipment etc will not be damaged in any way.

Students will not adopt the path of violence, agitation or terror for their problems.

Conducting any kind of political activities in the college campus is prohibited.

If the student has difficulty, he can present his report peacefully with full discipline before the professors or the principal if necessary, or through the grievance redressal cell / grievance box, he can convey his problem to the college administration from the teacher appointed by the college but don't use outside elements, newspapers as a medium.

The student has to be careful that they are accused of any immoral or serious offense but if this happens then action will be taken against them.

Using unfair means or attempting to cause or being helpful in the examination will be considered as misconduct and appropriate disciplinary action will be taken.

Smoking, use of any kind of intoxicants is strictly prohibited within the boundaries of the college.

Ragging :

Hon'ble Supreme Court order dated 27.11.06. Reference SLP 2495/06 Kerala University against the Council of College Principals and S. LP No. 24296-24299/2004 A w. P. (CRC) No. 173/2006 and S. LP No. Ragging is a punishable offense as per 14356/2005. Ragging is strictly prohibited in the college premises or any where else.

The student guilty of ragging will be expelled from the college and strict prohibitive legal action will be taken against him.

Senior students should take note of this. Ordinance made under Madhya Pradesh University Act 1973 no. According to section 13 of 7, there is a provision of punishment against the guilty student for breach of discipline in the college premises or outside 1.Suspension from classes 2.Expulsion from college 3. Preventing from appearing in the University Examination

M.Com second and fourth semester and project work is proposed to be done in the month of March.

College Activities

Cultural Events :

Students constitute core element of an educational institution and overall development of student's personality should be the prime motive of educational management. Having realized this basic philosophy, MKHSGGC College is providing opportunity to its students for their full fledged personality development. The college has built up a tradition for organizing different co-curricular activities for the students since the very beginning. We constitute a cultural committee consisting of the students and faculties for the smooth running of the co-curricular activities, planned well in advance during the session. The secretary organizes meetings from time to time to organize the activities under the supervision of the faculty in charge. Students are sponsored to participate in various cultural and literary events at the inter-college and inter-University level both with in and outside the State. Attractive prize and certificates are awarded to the winners. We hire the services of the various expert artistes from outside, to train our students.

- Students participate very enthusiastically and enjoy in the Youth Festival, Teachers Day celebration, Garba Competition, freshers Party, Holi Festival etc.

Glimpse of College

The collage captures a variety of college activities, from academic competitions like chess to cultural performances and group photos. The students are dressed in a mix of formal uniforms, traditional Indian attire, and costumes for stage performances. The background is a vibrant red, and the overall composition is a dense, colorful mosaic of college life.
